AGENDA

• Are there any questions from the video tutorial that was completed over the weekend?
• This week we will use movie clips and variables to add advanced transitions to our flash site.
WEEKLY ASSIGNMENT

Due: Week 8

- Complete both video lessons (2) posted under week 7:
  - flash site w/ transitions
  - flash site w/ hi-lite + scrollbar

- I will be available to answer any questions regarding the previous video lessons.
MIDTERM ASSIGNMENT

• Weekly Assignments & Flash Web Site
  • assignment: Use ActionScript to create a flash web site with advanced functionality. A basic design will be provided for you, which you can change to your liking. New features will be introduced on a weekly basis. Features must include: a custom preloader, a flash intro, advanced scene transitions, and publishing via HTML using SWFObject.

• purpose/objective: To learn how to incorporate motion graphics into a user-based interactive interface.

• format: 30 frames per second
  • Flash site displayed via .html
  • Post a link to your site off your class web page.

Due: Week 9
